

Selva Montana Hotel

Destination: San Lorenzo - Salta

Location: 2315, Alfonsina Storni St., San Lorenzo, Salta

Description

Inmersed in the Cloudforest (or “;Yungas”;) habitat in San Lorenzo village, just ten minutes from Salta city centre, and connected with the main roads towards Northwest Argentina main attractions.

Its colonial facade outstands from the forest offering the best views to the San Lorenzo canyon and the ridges extending to the north.

Recently restored, we combine modern comfort with wood and stone details which characterizes the typical Northern warmth. The sound of the river, birds singing and the impressive view to the Quebrada, fulfills the landscape in which our guests become part of. An ample variety of services and common areas invites guests to spend the whole day. We provide travel information and updates for the surroundings and the main travel destinations.
